

AVAR Direct is the supply division of AVAR Investments, working with Supply Partners  
Around the World. Search Our Catalog or Send a Request.

Fleets, Construction, Agriculture, Mining, Marine and Industry

We Help Manufacturers From Around the World Grow Across the Americas. We Map and Analyze the Market, Locate and Sign the Right Distributors, Launch Your Line and Stay With It as It Grows.

One Plan for Each Country. From the First Study to Steady Sales.

Demand, Competitors,  
Prices, Import Rules and  
Duties for Your Products,  
Country by Country.

We Locate, Visit and Qualify Distributors and Resellers, Then Help You Sign the Right Ones.

Price Lists, Spanish Marketing Material, Product Training, Ground Support and First Orders, Coordinated From the United States.

Order Follow-Up,  
Regular Reporting,  
Distributor Reviews and  
New Markets as Your  
Line Grows.

We Have Distributed and Built Markets for Leading  
U.S. Manufacturers of Filtration and Motion and  
Control Technologies Across the Americas
